<p>I was assigned as cover for PAINTER (point) as part of the ground level entry team. We were transported to the above location in the East Tac van driven by MEYERS. My weapons carried were GLOCK 9mm and COLT M4.</p> <p>Upon arrival announcements were made prior to the sliding glass door being breached. When entry was made I observed a W/N-M subject and commands were given to him. At which point he turned around and began walking into an adjacent room. As we made our way into through I encountered another W/N-M subject, who did not comply with commands to get on the ground. I assisted with securing that W/N-M and remained with that subject while the rest of the residence was cleared by the team. After the primary and secondary clearing of the residence was complete I exited when investigators arrived on scene. Debrief was conducted at the AP prior to being released.</p> <p>Notification: on 02/21/18 1948 hours I notified Sgt. SANKEY of this SERT activation. My scheduled shift was 0800-1600 hours for 02/23/18 which was not changed due to this activation. After the warrant was complete Sgt. SANKEY was advised.</p>
